PUT YOUR FAITH IN THE STARS

WHY US

We've lived the problem.

- Big believers in deep relationships
- 3+ years working together
- All from Atsign's intern program

Hakeem A.

MARRIED

"The unofficial relationship therapist of his friend group."

Jeremy T.

SINGLE

"On the apps. Lots of matches, most never make it to a first date. Never a second."

Xavier C.

SINGLE

"Gave up on the apps after they wasted his time, first-hand."

We already know we work extremely well together.

Sue's stars never line up.

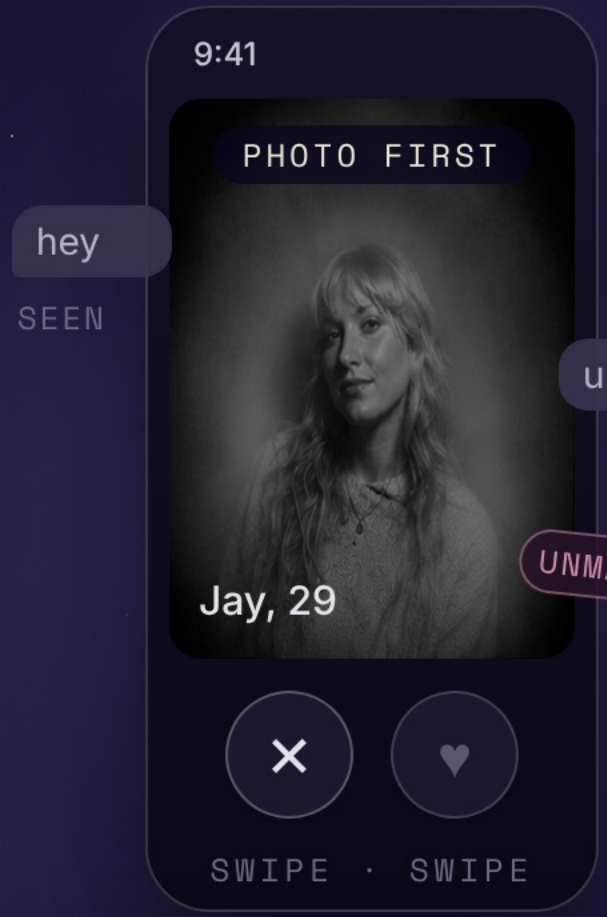

- A designer, busy building her career
- Two hours of swiping tonight. Again.
- Dating is a full-time job: 300+ hours a year, 8 work weeks

Built to waste her time.

Endless swiping

Judged on looks

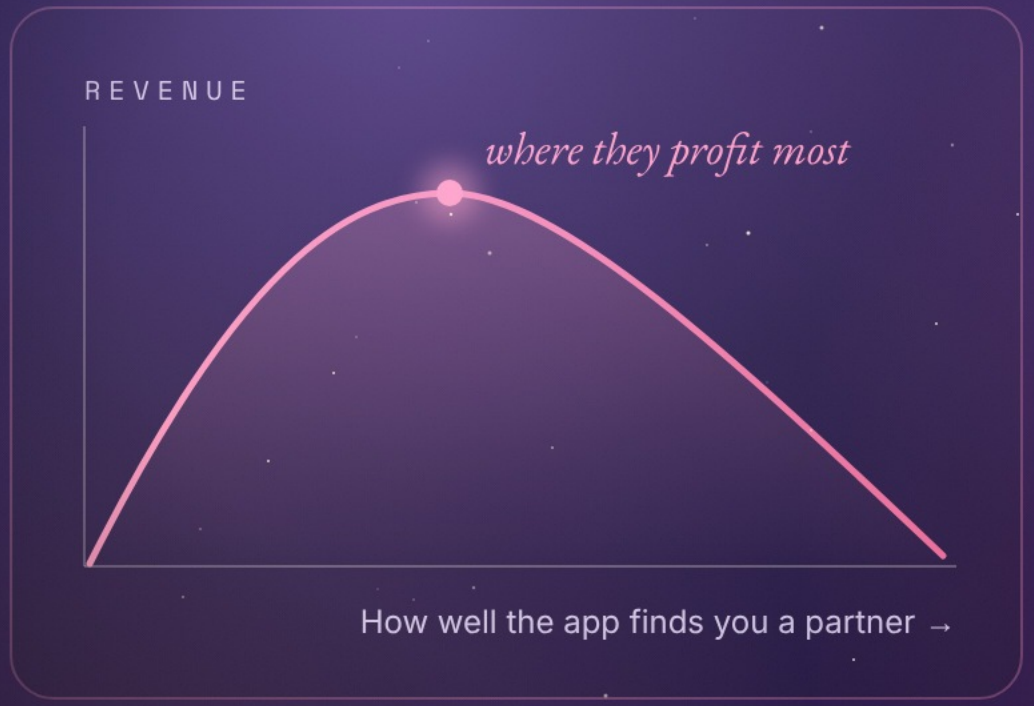

Chats that fizzle

Bots and fakes

THE INSIGHT

Better matches cost them money.

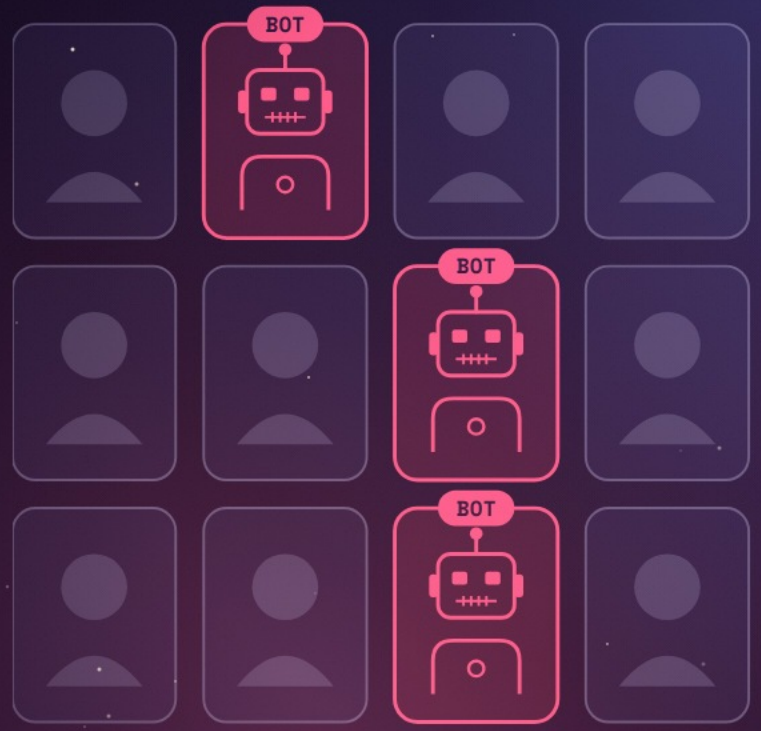

ILLUSTRATIVE

98%

of Match Group's 2025 revenue came straight from users

INTRODUCING ALIGN

The stars choose who you meet.

- No endless swiping
- Alignment over looks
- AI-verified real people
- Dates booked, not just matches

HOW IT WORKS

Dealt by the stars, every night.

THE CORE LOOP

From match to a real date.

Matched by your stars

Pick a partner venue, in the app

At a venue that knows it's an Align date

Off the app, into the real world.

SAFE BY DESIGN · AI THAT CATCHES AI

Real people, from first photo to first date.

Aura Cam verifies every photo

AI liveness check. Bots and deepfakes blocked.

Only verified humans in your deck
