[Hulsdonck, Still Life with Meat, Fish, Vegetables, and Fruit, c. 1615-20]

SITUATION

Two agencies failed. No strategy Big Spoon owns.

Agencies [1]	Owned strategy [2]	Trusted reporting [3]

Hired before, and failed	Plans Big Spoon holds itself	Reports Big Spoon can trust

Measurement is the bare minimum. It was never set up.

[de Heem, Still Life with a Glass and Oysters, c. 1640]

GOAL

An in-house team that runs itself.

All 7 concepts, by April 30, 2027.

[1] A 12-month plan for 2027

THE BASELINE

Posting every day is the floor. Not the strategy.

Every concept gets its own strategy and voice. Not one size fits all. We innovate and experiment.

[1] A custom voice per concept

[2] 3 signature series, not filler posts

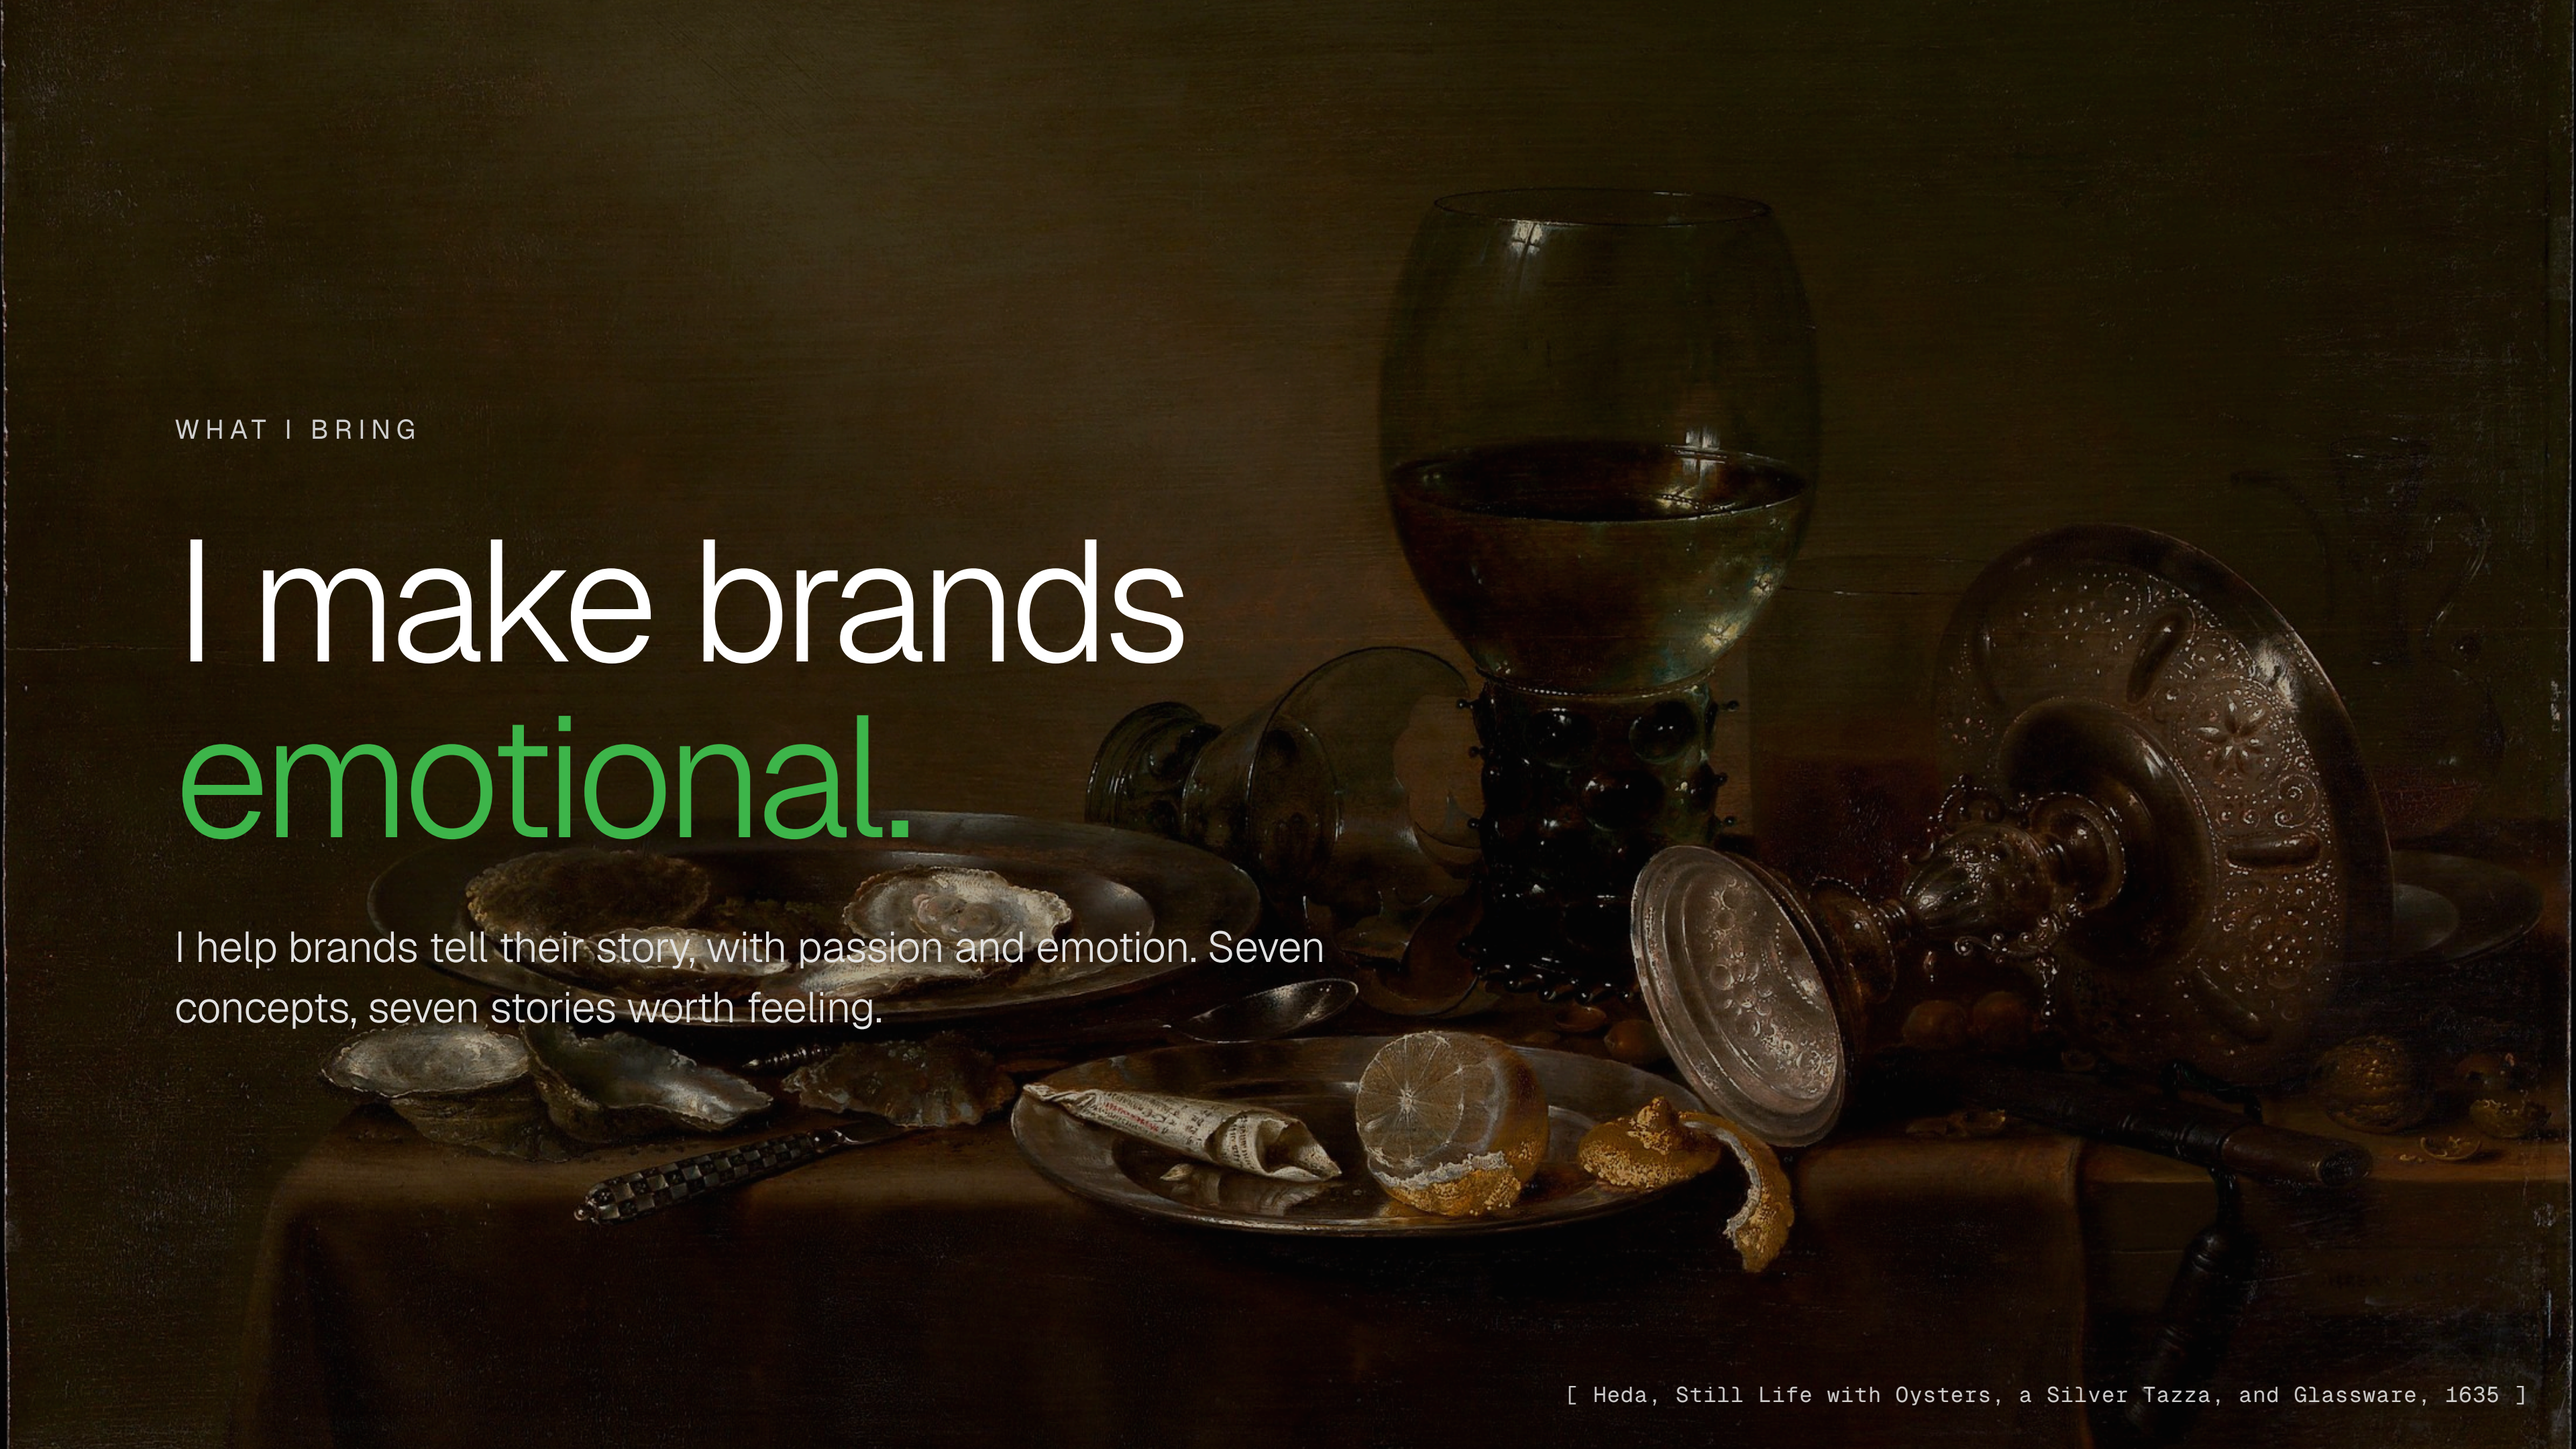
[3] Tested, measured, improved

[Ryūryūkyo Shinsai, New Year’s Sake and Sushi, c. 1810]

WHAT I BRING

I make brands emotional.

I help brands tell their story, with passion and emotion. Seven concepts, seven stories worth feeling.



[Heda, Still Life with Oysters, a Silver Tazza, and Glassware, 1635]
