[A PROPOSAL FOR JASON]

SF Investor Readiness

Expressive Space · October 2026

[Van Gogh, Wheat Field with Cypresses, 1889]

[THE GAP]

Strong companies lose US rounds on delivery, not product.

[Company] has $1.6M raised and $600K in revenue. The crop is in the field. Now the story has to land in San Francisco.

[Sisley, Sahurs Meadows in Morning Sun, 1894] The field is ready. Now it has to be brought in.

[HOW I'D TELL YOUR STORY]

Farmers have always read the land. Now it reads back.

Read the seasons [1565]

For centuries, farming ran on instinct and the weather.

[Bruegel, The Harvesters]

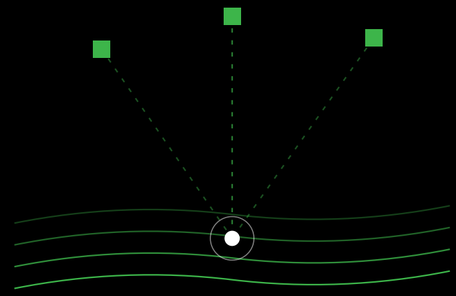

Map the land [1836]

Then fields were surveyed, fenced and plotted by hand.

[Cole, The Oxbow]

The land reads back [2026]

[Company] puts every row on a centimeter grid, from orbit.
